

Peace Message to the World

This is a peace message to the world. We need peace, we need love, we need happiness. So let's join all together worldwide in peaceful loving happiness.

Let no cruelty come our way. No cruelty, no fear, no hate, no violence, no duplicity.
Please help to spread this message.

Spread it to all peace makers and peace movements. To all prominent people and social leaders with a good attitude. To all the great super stars and talent shows and those with a long range. Please take all your fans to a great walk for peace.

Let us walk our talk and talk our walk.
Let us come together and walk and let us come together and talk.
When we all go together our action will be seen in the world.

So let us all join together for peaceful loving happiness.
For ease, truth and love.

Please help us to spread this message.

Thank you – peace.
